### Available Accessories

9901 458	Stainless steel door panel 36"
9901 461	Monolith brushed aluminum square handle
9901 489	Monolith stainless steel round handle
9901 492	Monolith brushed aluminum soft-edge handle
9902 349	Stainless steel Toe Kick 36"
9096 342	Air filter
7440 002	Water filter
9902 399	Reverse door kit

### Accessories for Side-by-Side installation

9901 428	Side-by-Side kit (includes wall heater)
9902 366	Stainless steel Toe Kick 60"
9902 819	Stainless steel Toe Kick 66"
9902 390	Stainless steel Toe Kick 72"

<sup>1</sup> Estimated energy cost will depend on utility rates and use. Estimated energy cost based on a national average electricity cost of 12 cents per kWh.

<sup>2</sup> Noise output – according to EN 60704-3.

<sup>3</sup> BioFresh bins temperatures 32°F (0°C), BioFresh-Plus bin 28°F (-2°C) or 32°F (0°C).

<sup>4</sup> Please contact your Liebherr Authorized Dealer for door reversal.

## Features & Benefits

**SuperQuiet:** Noise levels are kept to a minimum thanks to virtually silent, speed-controlled, and sound absorbing compressors.

**BioFresh-Plus:** Creates independent climates within your refrigerator, foods retain their vitamins, aromas and appetizing appearance for significantly longer than in conventional refrigerators.

**InfinitySwipe:** Intuitive electronic touch-control panel features a full-color 3.5-inch touch & swipe screen that allows you to control every function.

**InfinityLight:** Casts beautiful and even side lighting that can be tuned according to personal taste, including a soft brightening effect upon opening the doors.

**SuperCool:** Quick chill just-bought groceries to preserve optimum food freshness, while sealing in flavors and maintaining essential vitamins and minerals.

**InfinitySpring:** Seamlessly integrated flush-mounted internal water dispenser that's there when you need it, and virtually invisible when you don't.

**PowerCooling:** Allows cool moist air flow into the BioFresh chambers and cold air to circulate behind the door, so items stored in the door remain as cold as everything else in the refrigerator.

## Warranty terms

Full 2-Year Warranty, full 5-Year Warranty in the Sealed System and limited 6-12 Year Warranty.

# LIEBHERR

# Product Dimensions

**IMPORTANT!**  
 Stated minimum height dimensions include when the leveled feet are fully inserted.

Height can be increased by a maximum of 1" (26 mm) by turning the adjustable feet. When the appliance is fitted in the recess, the appliance must be raised by turning the adjustable feet so that the appliance top has contact with the anti-tipping bracket. This results in a 4" (102 mm) Toe Kick height.

**Inset**  
 A = 15 3/4" (400 mm)  
 B = 1/2" (12.5 mm)  
 C = 37 7/8" (962 mm)

**Frameless**  
 A = 16" (406 mm)  
 B = 1/2" (12.5 mm)  
 C = 38 3/8" (975 mm)

Dimension A = without mounted door handle

# Cut out Dimensions

**Continuous Toe Kick**

**Individual Toe Kick**

**A**  
 Cabinet depth frameless installation style = 25" (635 mm)  
 Cabinet depth inset installation style = 25" (635 mm) + panel thickness

**B**  
 This is the point where the power cord exits from the appliance rear. 3/4" (19 mm) from the left and 5" (127 mm) from the floor. Free length of the power cord is 98" (2.5 m). We recommend power outlet to be placed outside of the appliance opening. A 15 or 20 A, 110-120 VAC circuit grounded and protected by a circuit breaker or fuse is required.

**C**  
 The appliance has a recess in this area for cable and waterline laying. 1" (25 mm) in depth and 5 1/2" (140 mm) in height over the whole width of the appliance. With the water filter installed, the pressure must be 40-90 psi, without the water filter installed the acceptable pressure is 22-87 psi. A shut-off valve must be installed between the water line and the main water supply. It must be easily accessible so the water supply can be stopped immediately if necessary.

**D**  
 This surface is visible when the appliance door is open. Designed finish is required.

**E**  
 The anti-tipping bracket is positioned at the top of the appliance and must be secured to the wall, please refer to the installation manual for more information.

# Door Panel Dimensions

and dimensions of free length for power

**36" recess**

**Inset installation style**

H = 79 7/8" (2029 mm)  
 W = 35 3/4" (908 mm)

**Frameless installation style**

H = 80" (2032 mm) Add overlapping dimension to the panel on the top.  
 W = 36" (914 mm) Add overlapping dimension to the panel on both sides.

Panel thickness: Min. 5/8" (16 mm) \* / Max. 1" (25.4 mm)  
 Panel and handle weight: Max. 88 lbs. (40 kg)

\* If a shaker style panel is used, which is thinner than the minum panel thickness, shorter screws than those supplied in the accessory pack must be used.
